VISION

To impart high quality medical education, research, deliver holistic care to the nations and to reach primarily the unreached communities.

MISSION

CMCL Society, on behalf of the church, seeks to contribute to the health needs of India by training primarily Christian medical, dental, nursing, and other health professional students by doing high quality research and by providing holistic health services to the community and to the nation, with people of Christian faith serving in Christ's name alongside with those of other faiths, with those who identify with these aims and goals.

AIMS

1. To provide medical, nursing and paramedical education according to standards laid down from time to time by the Government, University or other Statutory bodies, and to arrange for the admission of students and their courses of instruction and to provide all necessary facilities possible in connection therewith.
2. To provide non-formal and continuing education programmes in the health sciences.
3. To provide facilities for research into the cause of the disease, their prevention and treatment.
4. To care for the sick and the suffering with love and compassion as commanded by Jesus Christ, and to restore them to health of body and mind, giving due recognition to spiritual need in its relation to health without consideration of cast, race, creed, religion and language.

OBJECTIVES

1. To manage, maintain and run the Christian Medical College, Christian Dental College, Christian College of Nursing, Christian College of Physiotherapy, Institute of Health Sciences and similar such other institutions which might be established by the Society in future, in Ludhiana, in the true Spirit of Christian service, ideals and principles in order to equip men and women for service in the promotion of health and the relief of suffering.
2. To establish, manage, administer, maintain, control and own institutions of Health Services, Research centres and Universities in India or abroad.
3. To affiliate, collaborate and enter into agreements and contracts, with institutions of health services, research centres and universities in India or abroad.

CHRISTIAN DENTAL COLLEGE, LUDHIANA

The Christian Dental College, Ludhiana is an educational institution of All-India character administered by the CMCL Society to fulfil its vision and mission.

The dental department at CMC has been providing dental care services in the hospital since 1966. Dr. J. L. Fason, a missionary dental surgeon was instrumental in developing the dental department into a modern clinic in the whole of North India. Further the services were augmented with the joining of Dr. J. L. Joshi in 1971.

The Christian Dental College was established in the year 1992 and the pioneer batch was admitted for the BDS course affiliated to Panjab University in the same year. The MDS course was started in 2002 in the subject of Pedodontia and Preventive Dentistry and subsequently in Oral & Maxillofacial surgery and in Prosthodontia in 2014. Presently the college is affiliated to Baba Farid University of Health Sciences, Faridkot. As per National Institutional *Ranking* Framework (NIRF) by the Ministry of Human Resource Development Government of India, the All India ranking of Christian Dental College, Ludhiana for the year 2020 was 18th in the country.

All admissions to Christian Dental College, Ludhiana are made according to Government of India and Punjab government notifications and as per the Dental Council of India and University guidelines and subject to various court orders.
